Measure-up BusinessITScan®

Order measure-up

Dear John,

Thanks a lot for your interest in the measure-up for the BusinessITScan within your organisation!

Downbelow you can select the completed BusinessITScan, which you coordinated earlier. Use the button below to order the Measure-up. Automatically you will receive the order confirmation. In addition, your user rights will be adapted automatically. This enables you to start the measure-up, so you can invite your colleagues and collect their opinions and proposals. Information about the meaure-up and the available reports (dashboard, detailed report, overview of differences with preview BusinessITScan) will be shown after ordering. You can start the measure-up directly!

For the record we mention that you agree to our terms and conditions without a cooling-off period, when you click the order button.
